

Mini-Grants from "ici. here together."

Regulations and guidelines

Version from 18 November 2024

Preliminary remarks

The Federation of Migros Cooperatives is the founder of the Foundation for Language and Training Promotion (SSUB). In 2019, the Foundation Board commissioned the Social Affairs and Culture Department of the Federation of Migros Cooperatives to implement the "ici. here together." funding programme, which was officially launched in 2021 under the Migros Commitment brand.

"ici. here together." provides funds and professional advice to local and regional projects throughout Switzerland that bring together people from different cultural backgrounds, thereby strengthening social cohesion.

As an extension of the existing funding, so-called Mini-Grants will be made available from 2 April 2024 to 31 December 2025.

A Mini-Grant amounts to between CHF 500 and CHF 2,500 and can be used to pilot an idea, realise a small project or cover ongoing project costs. Mini-Grants comply with the principles of the "ici. here together." funding programme and support projects and initiatives in the following areas:

- Here together, everyday: Associations, meetings, groups, tandems and networks that bring people from diverse backgrounds and cultures together – and with it, strengthen cohesion.
- Growing up multilingual here, together: services that support children up to the age of six and their families in speaking their family languages inside and outside the home, thus promoting social diversity.

The invitation to tender will run from 2 April 2024 and is open until 31 December 2025.

Contact

The SSUB has appointed the Swiss Academy for Development (SA4D) as the main contact and coordinator. SA4D supports applicants (project management organisations) in submitting projects.
